Education

Michigan State University **August 2024 – May 2028**
B.S. Mechanical Engineering East Lansing, MI
- GPA: 3.728 (Dean's List)

Technical Skills

CAD & Engineering Design: Autodesk Fusion 360, Siemens NX, 3D Modeling, Technical Drawings, Mechanical Design
Fabrication & Prototyping: 3D Printing, Hardware Assembly, Soldering, Power Tools
Technical Communication & Productivity: Microsoft Office, Document Formatting, Presentation Development

Extracurricular

MSU Fusion Project **May 2026 – Present**
Team Member East Lansing, MI
- Multidisciplinary group of MSU students working together to build a functional fusion reactor.
- Collaborated with team members in focused meetings to revise goals and project designs.
- Utilized online crowdfunding to finance project materials and required services.

Projects

Fusion Reactor Vacuum Chamber | Autodesk Fusion 360, 3D Printing **June 2026 – Present**
Chamber Design & Prototype Team Co-Lead East Lansing, MI

- Designed and prototyped a high-vacuum chamber intended to serve as the core vessel of a functional fusion reactor.
- Collaborated with MSU Fusion Project team members to establish design requirements and research vacuum-chamber components.
- Developed and iterated chamber models in Fusion 360, incorporating team feedback to refine the chamber design.
- Created technical drawings for chamber components and prepared scaled components for 3D printing to produce a physical 14-component prototype.

Claw Robot | Hardware Assembly, Lab Reporting **February 2025 – March 2025**
Assembly & Trial Team Member East Lansing, MI

- Prototyped and assembled a remote-controlled claw robot designed for obstacle-course testing.
- Worked with team members to establish project requirements and design goals.
- Tested and compared the performance of multiple designs and materials.
- Assembled and tested the final robot design during obstacle-course trials.
- Documented test results and trial data in a final technical lab report.

Work Experience

Starbucks **March 2026 – Present**
Barista East Lansing, MI
- Work effectively in a fast-paced environment while adhering to safety and quality standards.
- Maintained a consistent work record while balancing employment with academic responsibilities.

Seven Steps Up **June 2020 – July 2020**
Stage Hand Grand Haven, MI
- Assisted with setup and teardown of sound and lighting systems for large-scale productions.
- Loaded and unloaded production equipment while adhering to safety procedures and production schedules.
